

Group Roles

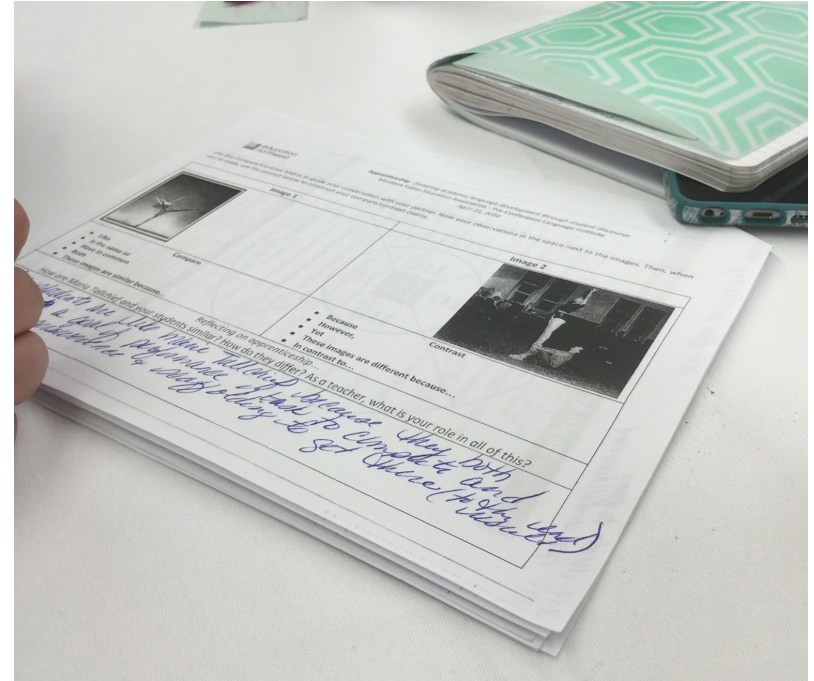

Each table will designate a role for each participant. We will maintain these roles for the duration of our time together.

Role	Reporter	Recorder	Caretaker	Timekeeper	Small Group Facilitator
Mantra	<i>I represent my table in whole group activities.</i>	<i>I am a Google Apps guru!</i>	<i>I manage my team's energy.</i>	<i>I have a keen sense of time remaining and our task at hand.</i>	<i>I keep us on task and working constructively.</i>
Description	A report represents their table in whole group activities.	The recorder is in charge of communicating their group's ideas, especially on Google Apps enabled tasks.	The caretaker is aware of their team's energy level. They suggest breaks and snacks to keep everyone fueled and working.	The timekeeper keeps each activity moving within the time allotted.	Facilitators lead their groups by ensuring that each member contributes constructively.
